WORK EXPERIENCE

Shumaker Technology Group   9/2023 – 12/2023
Web Development Intern   *Lansing, MI*
- Maintained client websites by answering requests for help through the OneDesk ticket management platform. Requests included time-sensitive updates to public-facing databases for local governments across Michigan, changes to website content and layouts, and troubleshooting of bugs and errors.
- Implemented Figma website designs in the Elementor plugin for WordPress, with customizations made in HTML/CSS.

AmeriCorps National Civilian Community Corps (NCCC) - Southwest Region   10/2022 – 7/2023
Corps Member (Traditional Corps) / Community Relations Representative   *Aurora, CO*
- Completed 1700+ hours of team-based service with local and national nonprofits to complete hands-on projects that directly benefit communities in need in the Southwest region of the United States.
- Projects included rebuilding homes damaged by Hurricane Harvey in Houston, TX alongside non-profit disaster recovery organizations [SBP](#) and [TRT](#), restoring a YMCA campground in Davis, OK to pre-COVID environmental standards, and coordinating/teaching educational summer programs developed by the Boys and Girls Club of Ottawa County, OK.
- *Community Relations Representative*
    o Led recruiting events aimed at high school and college students in partner communities, including outreach to high schools and universities, coordination of presentations/tabling events, and design of presentation materials.
    o Documented team efforts through the production of three project summary videos created from footage captured on various work sites.
    o Developed social media content aimed at broadening public awareness of AmeriCorps NCCC and its activities.

Michigan Medicine Department of Human Genetics   10/2021 – 6/2022
Office Assistant   *Ann Arbor, MI*
- Processed expense reports for faculty recruitment visits and other department spending.
- Digitized and organized department human resources data.
- Supported various faculty/student seminars.

ADDITIONAL SKILLS

- German fluency at B2 Level (Common European Framework of Reference for Languages, certified by Goethe-Institut)
- Programming languages: C++, Python, HTML/CSS, JavaScript/jQuery, PHP, SQL
- Other software: WordPress, Git, Linux, Microsoft Office Suite, ArcGIS
